Boz Signage & Branding is founded and managed by Fundi Mazibuko. We manufacture all types of signage. From statutory signs to construction boards and directional signage. Boz Signage & Branding employs some of the best talent in the business and continues to work hard to maintain our reputation for consistently delivering quality signage.

A significant competitive advantage is that we have recently started a shop-fitting division in an effort to offer turnkey solutions. We have our in-house electricians which allows us to deliver our projects seamlessly.

## ALUMINIUM LETTERS

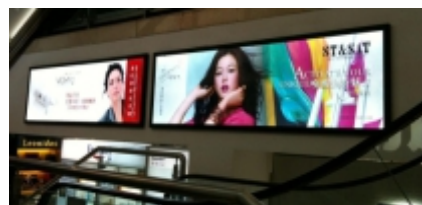

Aluminum is one of our most popular materials for interior and exterior sign letters — for good reason. With a wide variety of sizes, thickness and finishes, so you'll find the style exactly right for you. To produce custom aluminum sign letters, we use earth-friendly practices and precision waterjet or laser cutting, ensuring tight inside corners and intricate details. Aluminum wall letters are the most cost effective metal lettering we offer.

## ACRYLIC / PERSPEX LETTERS

If you're looking for a budget-friendly alternative to metal letters, choose acrylic letters from Boz Signage & Branding. Our solid, laser-cut acrylic letters provide a high-quality look, with precise, polished edges. Thanks to the versatility of acrylic sign letters and the creativity of our design team, you have virtually unlimited options when choosing custom acrylic sign letters for your walls or buildings.

## BACKLIT LETTERS / LIGHT BOX

When you want your business and brand to stand out, choose an outdoor lighted panel sign. We've been designing, manufacturing and installing high-quality exterior and interior lighted signs that you won't find at your local sign shop. You'll see our premium-quality illuminated signs at corporate buildings, retail storefronts and other businesses around the country.

## RETRACTABLE BANNERS / X BANNERS

Simple & effective, retractable banner stands are a great way to show off your corporate graphics, no matter where you go. Extremely portable, these retractable banner stands can easily be carried to trade shows, meetings and presentations. They'll also work well in your office, school or university lobby.

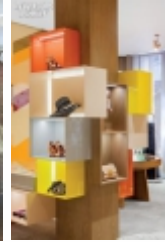

## BILLBOARDS

Billboards are very popular these days. Lots of lots of companies rely on them for their advertising campaigns. TV stations, telecommunication companies, even politicians use them frequently. You can see now that billboards are one of those advertising media that are rapidly being preferred by the world's advertising populace.

## CUSTOM SHOP FITTING/FURNITURE

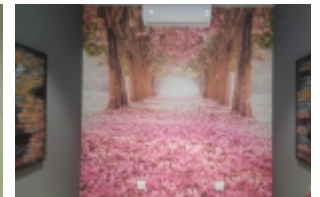

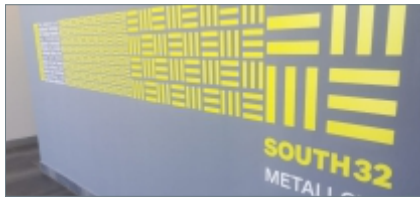

Shop fittings will turn your vision into reality, managing projects throughout the project lifecycle, with a single point of contact for all your needs. Boz Shop fitters endeavors to deliver modern fittings with and budget friendly solutions. We work with space planners in order to ensure that we deliver fit for purpose interior solutions.
